Exhibit 74

Analysis of Montevallo Rezone and Preliminary Plat Application, Volume One, Two and Three (plus CD).

Two sets of 3 volumes were submitted to the Hearing Examiner by the public. It was stated that both sets were exactly the same except the cover. One cover was Montevallo and one was Wood Trails. Because of their size, only one will be relied on as an exhibit.

Available for review at City of Woodinville's Development Services's counter
