Approved for Construction

Director of Public Works
City of Woodinville

Date:

Development Services Department

This approval is for the design concept only. Plans plans appear to be in conformance with the City of Woodinville design standards for construction. Plan approval shall not be construed as authorizing construction not in accordance with applicable City standards. The City reserves the right to require revisions to the approved plans to assure conformance with City of Woodinville design standards for construction at any time that it is discovered that the proposed construction does not otherwise meet the applicable construction standards. The owner is required to provide designs and plans in accordance with the applicable City standards and ensure that construction is accomplished in accordance with these standards. The owner and/or design engineer and/or developer, in the case may be required to make necessary approved field revisions to correct any errors in construction based on the approved plans.
