provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

Section 2. The City Council hereby delegates to the City Manager, or his/her designee, the responsibility, authority, and means to:

- a. Assist the Manager, at his/her request, in the delineation of the limits of the area having special flood hazards.
- b. Provide such information as the Manager may request concerning present uses and occupancy of the flood plain areas.
- c. Cooperate with Federal, State, and local agencies and private firms which undertake to study, survey, map, and identify flood plain areas, and cooperate with neighboring communities with respect to management of adjoining flood plain areas in order to prevent aggravation of existing hazards.
- d. Submit on the anniversary date of the community's initial eligibility and annual report to the Manager on the progress made during the past year within the community in the development and implementation of floor plain management measures.
