- The rental customer (League, Organization, Group, etc.) applying for a field rental must be in good financial standing with the City of Woodinville.
- A rental application for more than 10 field time slots or for a tournament is considered a Block Booking Sport Fields Application. If a rental customer is requesting the discounted Youth Resident Rate a league roster must be submitted at least 15 days prior to the first day of field use. If the roster is requested please omit youth player NAMES from the roster to protect sensitive information.
- Any field use request that requires field prep (lining, special equipment access, etc.) must be submitted at least seven (7) business days in advance. Requests are considered on a case-by-case basis and are considered based on available resources.

- Coaches/Field users must use the issued permit for only the activity and field that is identified on their permit. Unscheduled use may result in removal from the fields, forfeit of payment and may impact future use.
- After a permit is issued, it may be cancelled or revoked by the City or the Rental Customer for any reason. Refunds are subject to the rules outlined on the back of the Sport Fields Application form and noted in the Cancellation/Change to Permits section of this manual.
