WHEREAS, Woodinville is committed to short and long range planning to protect, preserve, and enhance its roadways; and

WHEREAS, pursuant to the requirements of RCW Chapters 35.77 and 47.26, the City Council of the City of Woodinville has previously adopted a Comprehensive Street Program, including an arterial street construction program, and has thereafter periodically modified said Comprehensive Street Program by Resolution; and

WHEREAS, the City Council has reviewed the work accomplished under the Program, determined current and future City street and arterial needs and, based upon these findings, has prepared a Six-Year Transportation Improvement Program for the ensuing six (6) calendar years; and

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WOODINVILLE, WASHINGTON, HEREBY RESOLVES AS FOLLOWS:

Section 1. Six-Year Transportation Improvement Program Adopted. The Six-Year Transportation Improvement Program for the City of Woodinville, as revised and extended for the ensuing six (6) calendar years (2015-2020), a copy of which is attached hereto as Exhibit A and which Program sets forth the project location, type of improvement and the estimated 2014 cost thereof, is hereby adopted and approved.

City approval of the Six-Year Transportation Improvement Program is subject to annual prioritization and City appropriation of funds. Projects receiving grant funding will receive higher priority as funds are available.

Pursuant to Chapter 35.77 RCW, within 30 days of the adoption of this resolution, the City Clerk shall file certified copies of Resolution No. 445, together with Exhibit A attached hereto, with the Secretary of Transportation and the Transportation Improvement Board for the State of Washington.
