

RESOLUTION NO. 452

A RESOLUTION OF THE WOODINVILLE CITY COUNCIL REGARDING THE PROPOSED 2014 KING COUNTY COUNTYWIDE PLANNING POLICY AMENDMENT UNDER ORDINANCE 17783.

WHEREAS, RCW 36.70A.110 requires counties to regularly update its Countywide Planning Policies, and King County is updating these policies and has forwarded proposed amendments to all cities within the County for ratification; and

WHEREAS, cities that do not respond to such proposed Countywide Planning Amendments by July 11, 2014 shall be seen as being in concurrence with the proposed amendment identified as Motion 13-1; and

WHEREAS, Woodinville continues to be classified as a Large City within the proposed Amendments which unreasonably allocates excessive growth to Woodinville with little reasonable expectation that regional funding for necessary infrastructure will be provided; and

WHEREAS, recent Climate Change policy objectives and proposals which have been recently circulated require full analysis, review, and input from the public and all affected agencies before consideration for inclusion in Countywide Planning Policies.

NOW, THEREFORE THE CITY COUNCIL OF THE CITY OF WOODINVILLE, WASHINGTON, HEREBY RESOLVES AS FOLLOWS:

Section 1. The City of Woodinville has no position regarding the reclassification of the Issaquah Urban Core to the next higher classification, Urban Center.

Section 2. The City of Woodinville continues to object to its "Large City" designation and requests reclassification to "Small City" which better reflects its status, vision, and profile.

Section 3. The City of Woodinville expresses its expectation that potential policies regarding Climate Change go through the normal evaluation, consideration, and CPP Amendment process.

RESOLVED this 3rd day of June, 2014.
