

RESOLUTION NO. 470

A RESOLUTION OF THE WOODINVILLE CITY COUNCIL REGARDING THE PROPOSED 2015 KING COUNTY COUNTYWIDE PLANNING POLICY AMENDMENTS UNDER ORDINANCE 18084.

WHEREAS, RCW 36.70A.110 requires counties to regularly update its Countywide Planning Policies, and King County is updating these policies and has forwarded proposed amendments to all cities within the County for ratification; and

WHEREAS, cities that do not respond to such proposed Countywide Planning Amendments by October 31, 2015 shall be seen as being in concurrence with the proposed amendment identified as Motion 15-1; and

WHEREAS, Woodinville continues to be classified as a Large City within the proposed Amendments which unreasonably allocates excessive growth to Woodinville with little reasonable expectation that regional funding for necessary infrastructure will be provided; and

WHEREAS, the GMPC convened the School Siting Task Force in 2011 to address the issue of whether public schools serving primarily urban populations should be sited in rural areas and whether such facilities should be served by sewers; and

WHEREAS, the Task Force completed their work on March 31, 2012, issuing a report and final recommendations to the King County Executive; and

WHEREAS, the 2013 GMPC work program included an item to implement the remainder of the Task Force recommendations, including the GMPC should identify policies and adopt a work program that commits jurisdictions to working together to identify future school sites within the UGA. These policies shall direct jurisdictions to use zoning and other land use tools to ensure a sufficient supply of land for siting schools;

NOW, THEREFORE THE CITY COUNCIL OF THE CITY OF WOODINVILLE, WASHINGTON, HEREBY RESOLVES AS FOLLOWS:

Section 1. The City of Woodinville continues to object to its "Large City" designation and requests reclassification to "Small City" which better reflects its status, vision, and profile.

Section 2. The City of Woodinville supports Policy PF-19A to plan, through a cooperative process between jurisdictions and school districts, that public school facilities are available, to meet the needs of existing and projected residential development consistent with adopted comprehensive plan policies and growth forecasts .

RESOLVED this 6th day of October 2015.

Bernard W. Talmas, Mayor
