

RESOLUTION NO. 485

A RESOLUTION OF THE WOODINVILLE CITY COUNCIL DECLARING A PUBLIC WORKS EMERGENCY FOR REPAIR OF AN EMBANKMENT SLOPE IN THE 13400 BLOCK OF NE 143<sup>RD</sup> STREET AND AUTHORIZING THE CITY MANAGER TO HAVE THE EMBANKMENT SLOPE REPAIRED AS EXPEDITIOUSLY AS PRACTICABLE.

---

**WHEREAS**, The City of Woodinville found on July 11, 2016 that the embankment slope supporting NE 143<sup>rd</sup> Street had eroded away to such an amount to put the continued use of this street at risk; and

**WHEREAS**, it is the judgment of the Public Works Director that this embankment slope and cross culvert needs to be repaired before the winter storm season in order to protect the NE 143<sup>rd</sup> Street from further damage and to keep it operational to the level as intended by its current configuration and width; and

**WHEREAS**, delaying such repairs in order to comply with competitive bidding requirements presents a real, immediate threat to the proper performance of essential functions and will likely result in material loss or damage to property, bodily injury, or loss of life; and

**WHEREAS**, this situation constitutes a public works emergency as defined in the Comprehensive Emergency Management Plan and RCW 38.52.010, and necessitates the utilization of emergency powers granted under RCW 38.52.070 and the waiver of competitive bidding requirements pursuant to RCW 39.04.280;

**NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF WOODINVILLE, WASHINGTON, HEREBY RESOLVES AS FOLLOWS:**

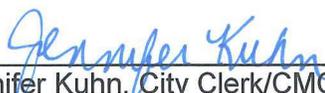

**Section 1.** The City Council hereby declares a public works emergency under RCW 38.52.070 and RCW 39.04.280, waives competitive bidding requirements, and authorizes the City Manager to take all necessary and reasonable steps to have the Embankment Slope and cross culvert located on the south side of the 13400 Block of NE 143<sup>rd</sup> Street repaired as expeditiously as practicable.

**Section 2. Effective Date.** This Resolution shall become effective July 19, 2016. Prior actions by the City Manager and/or his delegates consistent with this Resolution are hereby ratified.

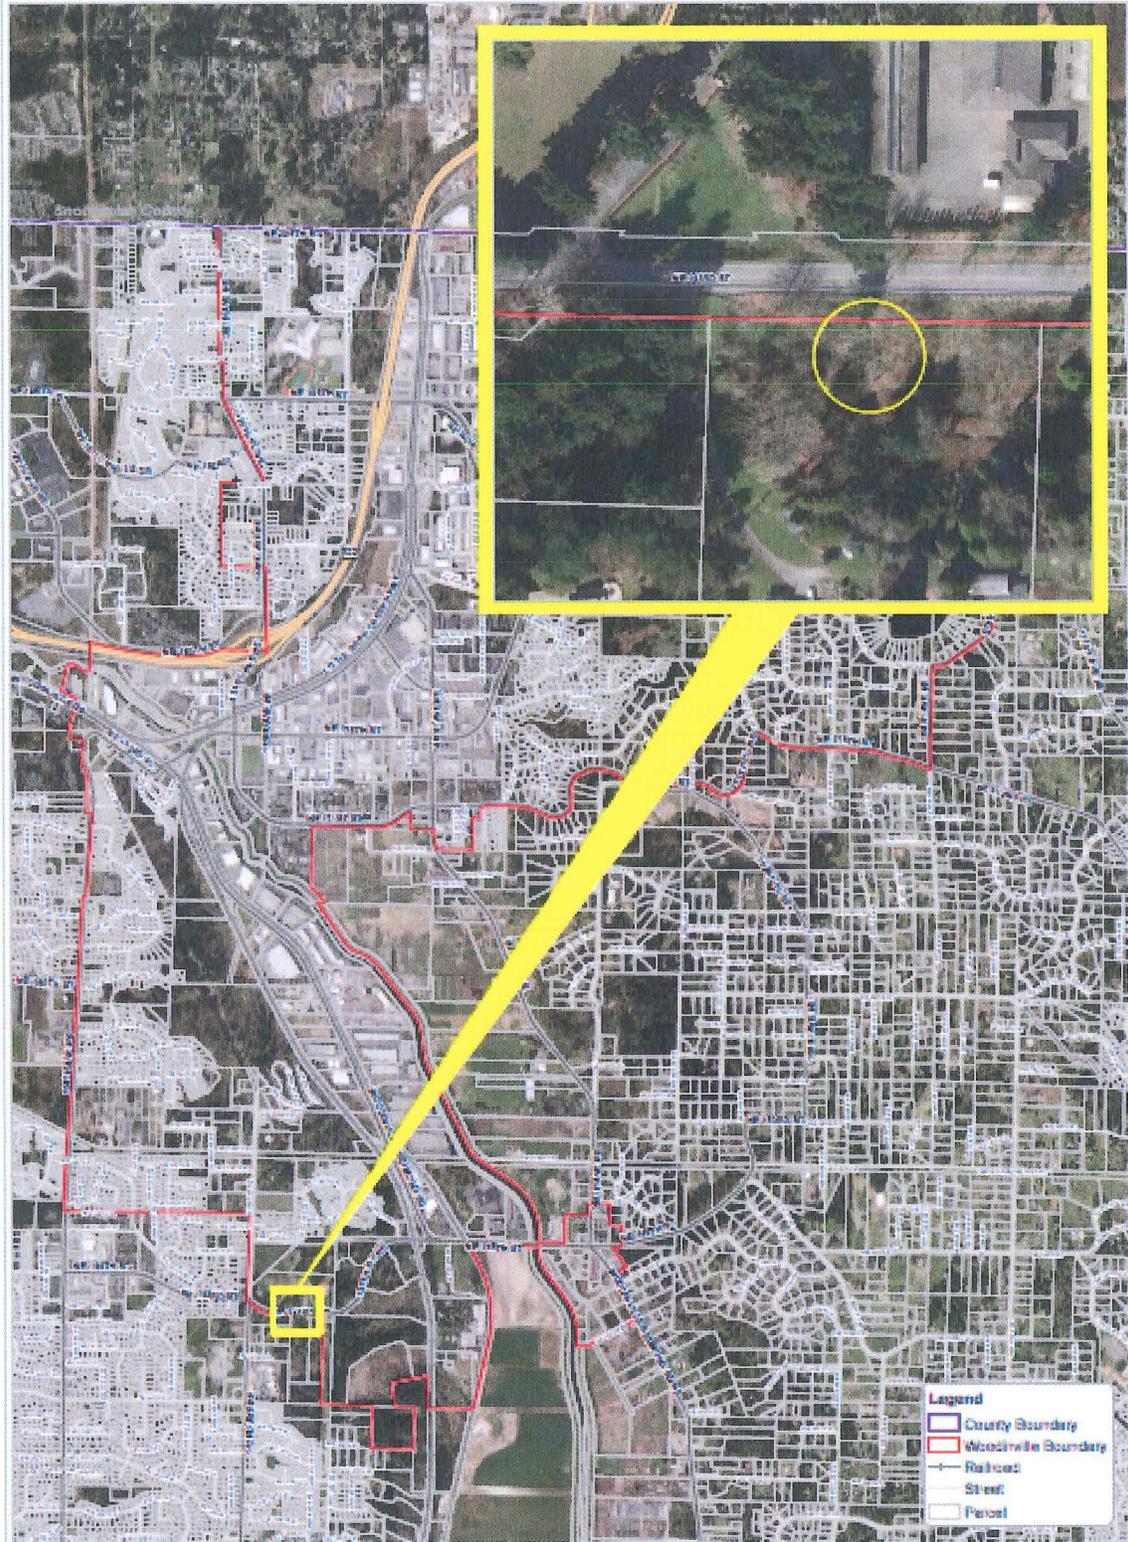

**RESOLVED** this 19<sup>th</sup> day of July 2016.
