

## ABBREVIATIONS AND ACRONYMS

|              |   |
|--------------|---|
| ADT          | Average daily traffic                         |
| AgC          | Alderwood gravelly sandy loam                 |
| ALT          | Alternative                                   |
| App          | Approach                                      |
| BLA          | Boundary Line Adjustment                      |
| BMP          | Best management practice                      |
| cfs          | Cubic feet per second                         |
| CIP          | Capital Improvement Plan                      |
| City         | City of Woodinville                           |
| CNW          | Concerned Neighbors of Wellington             |
| CM           | Conservancy Management                        |
| CSO          | Combined sewer overflow                       |
| dbh          | Diameter at breast height                     |
| du/acre      | Dwelling units per acre                       |
| DEIS         | Draft environmental impact statement          |
| EB           | Eastbound                                     |
| Ecology /DOE | Washington State Department of Ecology        |
| DS           | Determination of Significance                 |
| EDNA         | Environmental designation for noise abatement |
| EIS          | Environmental Impact Statement                |
| ENV          | Environmental policy                          |
| ER           | Earth resources                               |
| FEIS         | Final Environmental Impact Statement          |
| FHWA         | Federal Highway Administration                |
| GMA          | Growth Management Act                         |
| GPS          | Global Positioning System                     |
| H            | Horizontal                                    |
| HAL          | High accident location                        |
| HCM          | Highway Capacity Manual                       |
| HDPE         | High density polyethylene                     |
| HOA          | Home owner's association                      |
| ITE          | Institute of Transportation Engineers         |
| KCDOT        | King County Department of Transportation      |

|               |  |
|---------------|--|
| KCRTS         | King County Runoff Time Series   |
| KCSWDM        | King County Surface Water Design Manual  |
| km            | Kilometer  |
| LIDAR         | Light Distance And Ranging, also known as Airborne Laser Swath Mapping or ALSM             |
| LOS           | Level of service   |
| LU            | Land use   |
| ML            | USCS Designation - Inorganic silts, very fine sands, rock four, silty or clayey fine sands |
| mph           | Miles per hour   |
| NGPE          | Native Growth Protection Easement  |
| NPDES         | National Pollutant Discharge Elimination System  |
| NRCS          | Natural Resources Conservation Services  |
| NSD           | Northshore School District   |
| Ols           | Landslide deposits   |
| PA            | Plants and animals   |
| PD            | Project description  |
| PHS [Program] | Washington Priority Habitats and Species Program   |
| PPA           | Preliminary Plat Application   |
| PRO [Plan]    | City of Woodinville's Parks, Recreation and Open Space Plan                                |
| Qls           | Qls landslide deposits   |
| Qvt           | Glacial Till deposits  |
| Qva           | Advance Outwash deposits   |
| Qvlc          | Lawton Clay  |
| RCW           | Revised Code of Washington   |
| ROW           | Right of Way   |
| SEPA          | State Environmental Policy Act (Washington)  |
| SM            | Silty sand with gravel soils   |
| SO            | Support/opposition   |
| SOV           | Single occupant vehicle  |
| SR            | State Route  |
| SWPPP         | Storm Water Pollution Prevention Plan  |
| TESP          | Temporary erosion and sedimentation control plan   |
| TIP           | Transportation Improvement Program   |
| TMDL          | Total Maximum Daily Load   |

|       |  |
|-------|--|
| TMP   | Transportation Management Plan   |
| TR    | Transportation   |
| UGA   | Urban Growth Area  |
| USCS  | Unified Soil Classification System   |
| USFWS | U.S. Fish and Wildlife Service   |
| UW    | University of Washington   |
| V     | Vertical   |
| V/B   | Value / belief statements  |
| v/c   | Volume to capacity ratio   |
| VISUM | Traffic Modeling Software used by City of Woodinville. The software is used to develop and maintain the short and long range planning for land use impacts analysis and CIP development. |
| WAC   | Washington Administrative Code   |
| WB    | Westbound  |
| WDFW  | Washington Department of Fish and Wildlife   |
| WDNR  | Washington Department of Natural Resource  |
| WMC   | Woodinville Municipal Code   |
| WR    | Water resources  |
| WRIA  | Water Resource Inventory Areas   |
| WSDOT | Washington State Department of Transportation  |
| WTSC  | Washington's Traffic Safety Commission   |
| WWD   | Woodinville Water District   |
