Permit fee.....\$55

Reference: 2009 Edition of the International Fire Code 105.7.7 (Permits), IFC 3404.2.13 (Abandoned Tanks), and IFC 3404.2.14 (Removal of Tanks)

An International Fire Code permit is required to remove, abandon, or otherwise dispose of a combustible liquids tank. See Section 105.7.7, #3 of the International Fire Code.

An IFC permit shall be obtained from the City. Apply at the City of Woodinville Permit Center. The IFC permit application submittal shall include the following:

- 1. Three (3) sets of plans showing:**
 - a. Tank location**
 - b. Distances from buildings, roadways, utilities, other tanks.**
 - c. Piping**
 - d. Size of tank**

- 2. Name of company or individual removing the tank or preparing the tank for abandonment in place.**

- 3. Proof of certification by IFCI or other acceptable certification for the company doing the removal of the tank**

- 4. Method of abandoning in place. (See International Fire Code 3404.2.13.1.4)**

- 5. Copy of L & I Contractor's License**

On completion of removal or abandonment a statement from the company doing the project work shall be supplied to the City stating compliance with all codes was obtained. (Mail to: City of Woodinville Attn: Permit Center 17301 133rd St. Woodinville, WA 98072)

No inspection will be required by the City.
