SCHOOL WALK SAFETY ASSESSMENT: EXPLANATION

The SCHOOL WALK SAFETY ASSESSMENT for the proposed development is required in order to submit a plat application to the City of Woodinville. Your assistance in providing the information requested is genuinely appreciated.

This determination is required under RCW 58.17.060. In the decision for approval of an application for a short plat or subdivision, the City's approving authority is required to include a finding that "sidewalks or other planning features that assure safe walking conditions for students who only walk to and from school". If conditions exist that preclude such a finding, the application must be denied.

Please indicate the District's assessment of walk conditions for those students who walk to schools that serve the subject short subdivisions.
